Stay Alert!

- ✓ Avoid walking alone.
- ✓ Stay in well-lighted areas, away from alleys, bushes, and entryways.
- ✓ Walk confidently, directly, and at a steady pace.
- ✓ Walk on the side of the street facing traffic.
- ✓ If a driver stops to ask directions, avoid getting near the vehicle.
- ✓ Don't hitchhike and only accept rides from people you know well.
- ✓ If a car appears to be following you, turn and walk in the opposite direction.
- ✓ Carry a whistle and use it if you feel you are in danger.
- ✓ If you are in trouble, attract help any way you can. Yell, call for help, shout "fire"
- ✓ Above all, be aware of your surroundings and the people around you, even those you know.
- ✓ Keep your mind on your surroundings – remember if you are wearing a personal stereo or chatting on your mobile phone you will not hear trouble approaching.
- ✓ Use all your senses, don't limit your ability to see or hear trouble by wearing hoods, listening to music through earphones or talking on you mobile phone.
